Bryn

- SpiritWear
  - [www.spyvstyle.com/unipepsquad](http://www.spyvstyle.com/unipepsquad)
  - Send email to team
    - When should the cut off be?
      - Bryn to check with Sarah Spivey to see what the lead times are before we decide on a cut off. Board agrees it would be preferable for the kids to have their items before summer camp, but we definitely would like the parents to have their items before football season starts in August
- Lettermen's Jackets

    - Brianna to email C&L again and ask for a date
    - If C&L is still unresponsive, Bryn to email the team giving them the information for C&L (address, office hours, etc...) so those that lettered and would like to purchase lettermen's jackets can go individually to purchase direct from their store
- Other Needs
  - Team Photographer
    - No parents have come forward saying they would like this job
    - Bryn to send a reminder in the email that is going out to the parents this week
  - Anything else we need to purchase with 2022-2023 funds?
